Examiner:

In response to Correspondence mailed June 30, 2005 regarding response to office action of December 29, 2004, please accept the following:

For entry in the case:

1. In the Drawings

a. (1.) Amend the Drawings as follows:

b. Add Fig. 6. Fig. 6 illustrates the Bidet and a toilet bowl with seat 14. The toilet bowl with seat are representative only and do not form a part of the invention. The size, shape and design of the toilet bowl and seat are not significant. These amendments are being made in response to the Examiners rejections.

c. Amend Fig. 3. to indicate the identity of the washers 15. Also indicated are: the plunger 16; the spring 17; and the pivotal handle 18. In addition the first end 19, second end 20 and middle section 21 of the tubular member 2 are indicated. The following parts of the spring activated bracket 3 are indicated: first bracket 22 and second bracket 23. At the vacuum breaker 5 the inlet fitting 24 and the outlet 25 are indicated. These amendments are being made in response to the Examiners rejections.

d. A marked up version of amended Fig. 3 is enclosed with the additional part numbers indicated in red. A clean version of amended Fig. 3 and a new Fig. 6 are enclosed. It is requested that these amendments be entered in the case. No new matter is included.

2. In the Specification

a. (2.) Amend the Specification as follows:

b. Amend the Description Of The Preferred Embodiment. A Substitute
